

## Great Ocean Road Health is a Child Safe Organisation

**ALL children** have the right to be safe and be protected from abuse.

No one should behave in a way that makes you feel unsafe or afraid, including anyone in your family, anyone at school or anywhere else in the community.

Tell a parent or nurse if you feel unsafe.

### Help us keep children safe

**Report your concerns** about the safety and wellbeing of children by speaking with a Great Ocean Road Health Safety Officer.
